100% Cabernet
Sauvignon

Alcohol

14.3%

Total Acidity

5.62 G/L

Residual Sugar

0.25 G/L

pH

3.67

DESCRIPTION

This single-vineyard wine immediately impresses with its ruby-scarlet hues. There is good intensity, with exotic bright red fruit that offers hints of raspberries, plums and cherries which might be expected as typical from this part of Oak Knoll in the benchlands of the southern end of the Mayacamas Range. The palate is lively and pleasing, with the structure and weight expected in a top Cabernet Sauvignon. The wine is well-balanced and offers notes of Herbs de Provence. The mouthfeel is silky and velvety, and it leads to a lengthy and pleasing finish.

WINEMAKER NOTES

This is the third vintage of Samuel Charles Cabernet Sauvignon to come from Napa Valley, and from a sub-appellation that is becoming known for its superb terroir and distinctive grapes. After harvesting and careful destemming and fermentation, the wine is aged ten months in French Oak, 30% new barrels.

SERVING HINTS

Serve at room temperature with red meats, lamb or assorted cheeses.
