

HENRY'S DRIVE RESERVE SHIRAZ 2007

Description:

The Henry's Drive Reserve Shiraz is sourced from a single vineyard of exceptional quality. It is a complex wine and exhibits characters of blackberry, Turkish delight and red currant along with spearmint, lifted dark toasted spices and hints of aniseed. The palate has great fruit weight with intense blackberry fruit flavors, clove spice notes, a hint of maple syrup and typical freshening mintiness. The wine is dense, complex, and very structural with a textured mouth feel, and a full flavored finish that really lingers.

Winemaker's Notes:

The fruit for this Henry's Drive Shiraz is sourced exclusively from a single family vineyard, surrounded by Eucalyptus trees, in Padthaway. These vines are grown in deep sandy loam soil over a limestone base and the vineyard is on a gentle slope. This vineyard yielded 1.5 tonnes per acre in 2007.

The wine finishes ferment in barrel and is then matured in oak hogsheads and barriques for a period of 16-18 months. The breakdown is as follow – 47.5% French, 47.5% American and 5% Eastern European– 80% new oak & 20% one year old oak.

Serving Hints:

This wine is ideally served at room temperature and goes well with gamey dishes, such as duck, goose or venison.

Producer:	Henry's Drive Vignerons
Country:	Australia
Region:	Padthaway
Grape Variety:	100% Shiraz
