DESCRIPTION

A classic Cabernet Sauvignon that can compete with the best from around the world. An intense red color, with spicy aromas due to its complexity. Offers delicate French oak hints obtained during its aging. Offers sweet and round tannins, and has a great volume and persistence in the mouth.

WINEMAKER NOTES

The grapes come from the Asti and Doña Elsa Estate, situated in Rama Caída, San Rafael, Mendoza, around 750 meters above sea level. It is an ideal climate for the Cabernet Sauvignon grape because of the warm days and cool nights that are typical of the area. The soil is of sandy/calcareous composition and alluvial origins. Picked by hand, the grapes went through classical crushing and fermentation, with periodic pump-over and maceration on skins for 21 days. It was aged twelve months in French Oak barrels. After stabilization, filtering and bottling, the final wine was bottled-aged an additional four months.
