

TWO ANGELS

CABERNET SAUVIGNON 2009

Description:

The third vintage of Mayacamas Mountain Cabernet Sauvignon is nicely complex, with dark fruit, cherries and hints of chocolate and vanilla on the nose. It is well-structured with “medium-plus” body, good weight and balance on the palate. The flavors carry through very well across the whole palate. There is elegance to this wine, as it glides across the palate and leads to a pleasing finish

Winemaker's Notes:

The grapes for Two Angels Mayacamas Mountain Cabernet Sauvignon come from vineyards at, or near, the top of the Mayacamas Mountain range, which divides the Napa Valley from Sonoma Valley. This vintage was aged for 14 months in French oak barrels, about 30% new.

Interesting Fact:

The label art was created by Jacob de Backer in 1591. The theme of the piece is the hilarity of inebriation and the trauma of the morning after. Excessive joy must be countered by equally excessive sorrow, with penitential atonement for pleasure (the first “Drink Responsibly” print campaign).

Serving Hints:

Serve at room temperature with steaks and other grilled meats, roasts and hearty fare.

PRODUCER:

Two Angels

COUNTRY:

United States

REGION:

Mayacamas Mountain (Sonoma)

GRAPE VARIETY:

87% Cab Sauv, 13% Merlot
