

Matetic

v i n e y a r d s

The story of the Matetic Winery began in 1999 when the Matetic family decided to diversify their business ventures and enter the world of wine. Confident in the virtues of the climate and soils in the Rosario Valley, they planted 222 acres of vineyards. The Matetic vineyards are located in the Rosario Valley, a subdivision of the San Antonio Valley. This completely enclosed valley is perpendicular to the ocean and features ideal climatic and topographic conditions for both red and white wines. The vineyards are certified organic by CERES GmbH and follow Biodynamic practices as well. All wines are hand-picked and estate bottled.
