VINO DEI FRATELLI

Immortal Wines

“Our label shows an ancient Roman coin struck in 46 BC depicting two of the most famous Fratelli brothers in the Roman religion. Castor and Pollux fell in love with beautiful sisters who were already betrothed to suitors. The brothers challenged and slew their rivals, but Castor was mortally wounded. In the end, Zeus placed both their immortal souls together in the sky as symbols of brotherly love. Today we refer to them as the constellation Gemini.”

VINO DEI FRATELLI PINOT GRIGIO

*Ascevi
Luwa*

The City of San Floriano del Collio nestles among gently rolling hills covered with vineyards, cherry trees and acacia woods, within the Friuli Venezia Giulia region near the Slovenian border. It is here that Mariano and his wife Loredana planted their first vineyard on a small plot of land in 1972. Over the years their great commitment and enthusiasm has allowed the estate to increase its area to approximately 74 acres, situated in the Collio and Friuli Isonzo DOC zones, which have always been prime winegrowing country. The hamlet of Ascevi is the name of the area where the largest vineyard (approximately 14 acres) is located. Luwa is derived from combining the names Luana and Walter, Mariano and Loredana's children. The Collio vineyards are situated at an altitude between 590-820 feet above sea level in soil with good structure and mineral content made up of stratified marl and sandstone. Most of the estate's production comes from these vineyards.
