

High Valley | Red Hills CALIFORNIA

Two Angels wines are crafted by famed California consulting winemaker Robert Pepi and owned by the Kreps family. Two Angels Petite Sirah and Sauvignon Blanc vineyards are located in the new AVA of High Valley and Red Hills in Lake County at an elevation between 1700-2200 ft.

The label art was created by Jacob de Backer in 1591 and the theme is the hilarity of inebriation and the trauma of the morning after. Excessive joy must be countered by equally excessive sorrow, with penitential atonement for pleasure. Related to the Oriental "yin and yang" concept it was created as an allegorical warning to "use wine sparingly or suffer the consequences."
