“This is a rounded, ripe and fruity wine named after a star in the Cetus constellation. It is immediately drinkable with attractive red-currant fruit flavors along with perfumed acidity and just a touch of orange zest. The wine is refreshing and very ready to drink.” *July 2016*

“Limpid orange. Fresh tangerine, strawberry and white peach aromas are lifted by subtle floral and white pepper nuances. Juicy and tightly focused on the palate, offering appealingly sweet pit and citrus flavors that deepen on the back half. Light on its feet but nicely concentrated, delivering solid closing thrust and a clinging touch of candied red berries.” *June 2016*
