**RESERVA
CABERNET
“Highlights”**

2015

- **92 – JAMES SUCKLING**, *June 21, 2017*

“A solid and rich red with firm and chewy tannins. Full-bodied, tight and lightly austere. long and structured. Needs two or three years to open.”

2014

- **91 – WINE ENTHUSIAST**, *October 2017*

“Aromas of tar and rubber give way to rich black fruits and toasty oak. A hard, tannic palate means this needs air or meaty foods. Oaky, resinous berry and cassis flavors finish chocolaty, with intense tannins. Drink through 2021.”

- **90+ – WINE ADVOCATE**, *Dec. 30, 2016*

“Classical and proportioned, the 2014 Reserve Cabernet Sauvignon was distinctly varietal with very good freshness and the classical tobacco leaf and blackberry aromas coupled with very fine tannins and great acidity. Impressive.”

2012

- **90 – WINE ADVOCATE**, *#212 August 2014*

“The 2012 Reserve Cabernet Sauvignon is slightly backward with reserved aromas of black fruit, exotic spicy notes of smoked paprika, pink pepper, very fine tannins and good acidity, which will make it very good at the table at a great price. Drink now-2016.”
