

Henry's Drive Shiraz Cabernet Sauvignon

“Highlights”

2012

- **93 - 'EDITOR'S CHOICE' – WINE ENTHUSIAST, December 2016**

“This is a prime example of how blending Cabernet and Shiraz can benefit both. The Shiraz provides texture and amplitude, the Cabernet soaring cassis aromas and length on the finish. Smoky mocha-tinged oak frames that impressive velvety fruit, only slowly fading away.”

2010

- **92 – James Halliday, THE AUSTRALIAN WINE COMPANION, May 27, 2014**

“A dense, full-bodied wine, the mouthfeel verging on thick, but saved by the briary/brambly finish to the array of dark fruits on the bouquet and mid-palate; will clearly go the distance, and benefit greatly from further cellaring.”

- **91 – WINE SPECTATOR, Aug. 31, 2015**

“Ripe and supple, with plump cherry, blackberry, caramel and floral aromas and flavors that keep glowing on the expansive finish. Drink now through 2020.”

2009

- **89 – WINE SPECTATOR, 2014**

“Dark and spicy, with a yeasty bread note adding interest to the focused berry and savory spice flavors, finishing lean and sinewy. Drink now through 2017.”
