

# Matetic EQ Chardonnay

## “Highlights”

### 2015

- **91 – JAMES SUCKLING, *March 2018***

“Dried lemon citrus, cherry blossom, pineapple and spices. Medium-to-full body, so much tangy citrus and an oily, spicy finish that’s very fresh.”

- **90 – WINE ADVOCATE, *April 28, 2017***

“The classical and traditional 2015 EQ Chardonnay is a good expression of the place where the grapes grow, influenced by the sea breeze on granite and clay soils. This wine has been getting undressed of all things external to try to show the place more than the process...”

### 2014

- **94 – JAMES SUCKLING, *May 2016***

“This is crazy excellent with dense fruit and super texture yet it remains very bright and agile. Full to medium body, light apple, stone and light straw. Love the length. 80% used oak. Touch of malo. Drink now.”

- **92 - WINE ADVOCATE, *Dec. 31, 2015***

“...It wants to be a classical Chardonnay showing the coastal freshness with good acidity, balanced by some creaminess in the palate. There are some yellow fruit aromas and plenty of yeasty hints. Only a small percentage of the wine goes through malolactic, just to add a creamy note to balance the sharp texture of the granite soils. The palate is medium-bodied and combines ripe, slightly exotic aromas and a sea breeze, marine profile...”

- **90 – ‘12 Red & White Value Wines from Chile - WINE SPECTATOR, *Dec. 8, 2016***

“A rich and spicy white, with lots of fresh acidity behind the flavors of green apple, ripe pear and kiwifruit. Buttery notes fill the crisp and well-structured finish. Drink now through 2020.”

### 2013

- **91 – DECANTER, *September 26, 2016***

“Sourced from organic and biodynamic vineyards that, combined with cooling Atlantic breezes and low yields, helps to produce fruit of beautiful purity and elegance. Butterscotch and tropical fruit aromas lead into a rich mouthfeel with key lime pie and honeyed nuances. The palate is refreshed by a linear, saline acidity that lingers.”
