Coastal Sauvignon Blanc 2018

93 pts

“The just-bottled 2018 EQ Coastal Sauvignon Blanc has a mixture of citrus and herbal aromas. It's from a cool vintage, quite normal for the coastal part of Casablanca, pretty much like 2013, with good yields and no frost or other issues. The palate is tasty and fresh, with great texture, very focused and clean flavors and a salty finish, the signature of the sea and the granite. This is a bargain—and one of their finest harvests. It should develop nicely in bottle.”
