

2017 Particular Cabernet Sauvignon

91 Pts.

“Up until this year, the style of Particular was dominated by the wood, but that is beginning to change. The entirety of this wine was aged for 12 months in 70% new oak. Intense in color, with a nose of black currant and hints of pyrazine and mint, along with clear, slightly smoky wood notes that provide structure. The medium body is supported by active tannins and tangible grip, softened by the low freshness. Keep for a couple of years.”
