“Highlights”

2013

- **90 – WINE ENTHUSIAST, August 2017**

“Peach, earth and lemon zest unite on nose and palate. The body is concentrated and warm, the fruit is made more intense with slight residual sweetness but zesty lemon freshness frames it all with tangy brightness. The finish is clean, medium sweet but refreshing.”

2011

- **‘Excellent’ – BIGGER THAN YOUR HEAD.COM, Oct. 2013**

“Pale gold color; rose petals, lychee and white peach; quince, ginger, white pepper and cloves; hints of melon and fig; beautifully wrought, exquisitely balanced among rigorous acidity, assertive limestone minerality and juicy citrus and slightly candied stone-fruit flavors; lovely sense of tension and resolution of all elements.” –*Fredric Koeppe*
