Producer
TerraPura

Region
Curico Valley

Country
Chile

Wine Composition
100% Chardonnay

Alcohol:
13%

Residual Sugar
4.5 G/L

pH
3.3

Total Acidity

DESCRIPTION

This wine has a light golden color, with delicate aromas of tropical fruits such as pineapple with notes of mandarin orange and honey. The palate is fresh and well-rounded.

WINEMAKER NOTES

The grapes for this single-vineyard wine come from the Molina area, close to the Andes Mountains – one of the coolest sectors of the Curico Valley. Hand-picked at the end of March, the grapes are crushed, and undergo two hours of cold maceration at 8° C. Fermentation takes place in stainless steel tanks for 25 days at controlled temperatures (13-14° C).

INTERESTING FACT

The TerraPura illustration seeks to convey the importance of maintaining the ecosystem in which humans, plants and animals co-exist. The trumpets/speakers at the apex of the illustration represent the importance of listening to what nature has to tell us.

SERVING HINTS

TerraPura Chardonnay is perfect to accompany salads, mild cheeses, and fatty fish such as salmon.
