DESCRIPTION

Fresh and intense, with floral and citrus aromas. On the palate, there are strong flavors of crystallized orange fruit, with a long and delicate finish.

WINEMAKER NOTES

Quinta do Vallado is located in the heart of the Douro Valley and belongs, since six generations, to the Ferreira family – descendants of Dona Antonia Adelaide Ferreira. After bica aberta (Free Flow) fermentation of approximately 20 days, the wine spends 3 years in stainless steel tanks.

SERVING HINTS

A terrific after-dinner drink, White Port is also a fine compliment to a variety of cheeses.
