

## WINE DATA

**Producer**

Bel Colle

**Country**

Italy

**Region**

Piedmont

**Wine Composition**

100% Barbera

**Total Acidity**

5.0 G/L

**Alcohol**

14% ABV

## DESCRIPTION

Brilliant ruby red in color and an intense fragrance marked by cherry and plum accents. Dry and full on the palate, with a marked acidity and a light tannic richness. An excellent meal to pair alongside a delicious meal.

## WINEMAKER NOTES

Located in the south-western part of Italy, the area of Verduno has always been considered one of the best in the Piedmont region, nestled between the picturesque towns of La Morra and Alba. Grown on the Langa hills with a clay/calcareous soil. Initial use of stainless steel vinification vats is followed by the wine aging for 6 months in oak casks.

## SERVING HINTS

This wine is a beautiful accompaniment for all meats, game, pasta, risotto and aged cheeses. It is recommended to serve at room temperature.
