## DESCRIPTION

This Barolo is garnet-red in color, with fine aromas of chocolate, toast and spice from its aging in wood. It has great structure and big tannins.

## WINEMAKER NOTES

The Nebbiolo grapes for this wine come from vineyards located in Verduno region (Boscatto and Monvigliero), at 300-to-350 ft. above sea level. The average age of the vines is 50 years and they are grown on a Southwest-and Southern-facing, in calcerous clay soil, at a density of about 5,000 plants per acre. After harvesting, the grapes are pressed and the must is fermented in temperature-controlled steel tanks after a short period in contact with dry ice to increase complexity and aroma. Skin maceration takes place over 15 days, assuring good color and body.

## SERVING HINTS

This wine is a perfect accompaniment to red meats, and an array of Italian cheeses, pastas and risotto.
