20% Syrah  
20% Cinsault  
10% Vermentino

### Alcohol

12.5%

2020

## EVIDENCE ROSÉ

### VINTAGE

This wine displays a very pale color with light reflections. The nose for this Evidence Rose offers expressive citrus and red fruits. The palate is fresh and balanced, with citrus notes like grapefruit and lemon, as well as a touch of apricot. The finish is very long.

### WINEMAKING

The grapes come from “sustainable practice” vineyards, planted in clay-limestone terroir. They are harvested at night in low temperatures, in order to limit the loss of color. They undergo systematic sorting and are vinified between 57-59 F in temperature-controlled vats. Malolactic fermentation is blocked to preserve the wine’s natural ability.

### SERVING HINTS

Ideal as an aperitif, but also excellent with white meats, grilled fish, paella, Thai Satays, or mixed salads.
