# CHÂTEAU FERRY LACOMBE MYSTÈRE ROSÉ

## DESCRIPTION

Delicate pink in color, the nose is fruity and intense with aromas of red fruit. The palate is crisp and refreshing with good length. There are flavors of sour candy, citrus fruits, and mint on the finish.

## WINEMAKER NOTES

The grapes come from vineyards managed with sustainable practices and are planted in clay and limestone soils. They are harvested at night in low temperatures to reduce the loss of color. The grapes undergo systematic sorting and are vinified between 57.2 F – 64.4 F (14 C – 18 C) in temperature-controlled vats. Malolactic fermentation is blocked to preserve the wine's natural acidity.

## SERVING HINTS

Serve slightly chilled. An excellent aperitif. Pairs well with white meats such as chicken, and goes beautifully with pork, grilled fish, and salads.
