DESCRIPTION

The 2021 Petite Sirah is a sophisticated and sumptuous example of the varietal, one of the most complex examples of Petite Sirah you will find. Blueberry and baked huckleberry lead the aromas, with a hint of white pepper, dried herbs and toasted bread. The aromas follow through to the palate with flavors of blueberry, black tea, baked cherry, fruit preserves and licorice. The wine finishes with pie crust, oak spice and tannins developing into a pleasant textural polish.

WINEMAKER NOTES

The 2021 vintage provided us with some of the best wines we have had to work with in creating our Estate Petite Sirah. Our vines gave us fruit with seductive aromas, complex flavors and deep color. Several years of drought and low yields appears to have concentrated all the intricacies of the palate into something profound. Close observation of the wine's aging progress has shown quality evolution over time and will continue to improve in the bottle.

Located just south of the town of Healdsburg, Foppiano vineyards sits on 160 acres in the acclaimed appellation of the Russian River Valley. Cool morning fog and warm summer days create an ideal microclimate for grape growing. The Foppiano family has been producing world class fruit on this land since its purchase in 1896.
