Mâconnais

Wine Composition

100% Chardonnay

Alcohol
13%

Total Acidity
4.82 G/L

Residual Sugar
1.1 G/L

pH
3.51

DESCRIPTION

The 2018 Mâcon-Villages portrays a brilliant pale gold color. It has nice complex aromas, white flowers (acacia), anise, citrus notes, lemon peel. Fresh and clean on the palate, with a bright acidity.

WINEMAKER'S NOTES

After a careful selection of grapes from small parcels in the region (from vines over 20 years old), they are gently pressed and undergo temperature-controlled fermentation in stainless steel vats (40% malolactic) where the wine remains until bottling.

SERVING HINTS

Best paired with appetizers, fish tacos, shrimp ceviche or goat cheese salad.

INTERESTING FACT

Within a natural isosceles triangle formed by Macon in the south, Tournos in the east and Cluny in the west, the noble and eminently Burgundian Chardonnay grape reigns as absolute monarch due to the chalk-rich soil that gives distinction to its white wines. This is the southern part of the world-famous province of Burgundy, with its gently rolling hills and lush vineyards, so dear to the French romantic poet and statesman, Lamartine. The author, born in Macon, spent his youth in the picture book Maconnais wine village of Milly. It was his love for the young and pretty Elvire that triggered his literary career. During his extremely active life, Lamartine devoted his energies to his dual vocations of poet and political figure. The white wines known as Macon-Villages come from some 40 different villages that lie to the north and west of Macon and the tranquil Saone River. The native chardonnay grapes produce lively and delicate wines overflowing with charm.
