Wine Composition

100% Chardonnay

Alcohol

14.5%

Total Acidity

5.51 G/L

Residual Sugar

4.0 G/L

pH

3.52

**DESCRIPTION**

Shiny golden color. Aromas of fresh exotic fruits, acacia honey, peach, citrus, and vanilla. Smooth and creamy with a clean finish.

**WINEMAKER'S NOTES**

The grapes for this wine came from south-facing IGP vineyards in the Pays d'Oc department of Aude, a few miles from the Medieval city of Carcassonne, in the high valleys of the foothills of the Pyrenees Mountains. Between the lush mountains and the deep blue Mediterranean Sea, it has an ideal climate for growing grapes. After picking and destemming, the juice is pressed and undergoes fermentation at controlled temperatures in stainless steel vats, with frequent pumping-over during the process.

**INTERESTING FACT**

The flower pictured on the Chardonnay label is the Yellow Gentian, which bloom in the fields and vineyards of the Pays d'Oc.

**SERVING HINTS**

This Chardonnay is a great accompaniment to fish and seafood of all types and preparations, including Sushi, avocado with shrimp, and grilled fish, as well as exotic Asian dishes, and orange salad with mint.
