Total Acidity
5.5 G/L

Residual Sugar
90 G/L

DESCRIPTION

Tropical Lux Mango Moscato is straw yellow in color. It is a delicious blend of Moscato wine and real mango that captures the aromas and flavors of the tropics. Bright notes of tropical fruits and full, ripe mango are balanced by a crisp and refreshing finish with only 90 calories per serving. In every bottle of Tropical Mango Moscato, there is 1/5 of an all natural Brazilian mango inside.

WINEMAKER NOTES

The Moscato grapes for this wine come from vineyards located in Santo Stefano Belbo villages, at 200 to 300 ft. above sea level. Vinification is via autoclave, according to the Charmat Method, until it reaches 5.5% alcohol. Then, wine undergoes cold fermentation and aging in stainless steel vats for ten days, after which time it is blended with the all natural Brazilian mango and then bottled.

SERVING HINTS

This wine is delightful as an aperitif or at the end of the meal, with fruit, aged cheeses and desserts.
