

Chamomile Liqueur

WINE DATA

Producer

Villa de Varda

Region

Trentino-Alto Adige

Country

Italy

Wine Composition

An infusion of the heads of Chamomile flowers in pure distillate

Alcohol

28%

DESCRIPTION

This soft golden-colored liqueur has an especially warm nose, filled with rich yet delicate and fruity aromas and balanced notes of chamomile. The taste, like the nose, is equally sweet and vegetal, velvety smooth and providing a wide range of delicate flavors.

WINEMAKER'S NOTES

Freshly-picked Chamomile flower heads from the mountains around Trentino are infused for 60 days in stainless steel tanks with wheat alcohol and Pinot Grigio grappa (and added sugar). The temperature in the tanks are strictly controlled by Villa de Varda's distillers.

SERVING HINTS

Villa de Varda Liqueur alla Camomilla is best served on its own, slightly chilled, as a relaxing after-dinner drink or digestive, and can be the base ingredient for a number of cocktails.
