

# SIMONSIG CHENIN BLANC 2022

Stellenbosch, South Africa

**TASTING NOTES:** This vibrant wine displays a brilliant straw color, with a green tinge. It starts with expressive tropical fruit aromas, ranging from melon, passion fruit and pear, to fresh lime. On the well-structured palate, the fruit mixes with refreshing acidity that is prominent through the wine's long, satisfying finish.

**VITICULTURE:** Heavy rainfall in 2021 made for an ample water supply to the vines. Cooler conditions through the spring and early summer were very favorable and resulted in slow, even and gradual ripening with good flavor concentration on the grapes. Warm, dry weather through the peak growing season increased the ripening tempo and resulted in smaller bunches with good intensity.

**VINIFICATION:** The grapes were handpicked, crushed and some lots given overnight skin contact. The juice was cold settled to a brilliant clarity and inoculated with selected yeast strains that are well-known for producing fruity wines. Fermentation temperature are kept between 12-14°C to ensure a slow fermentation and optimal fruit flavor production. After vinification, the wine is bottled and ready for consumption.

**INTERESTING FACT:** Simonsig Chenin Blanc was the first wine released by founder Frans Malan in 1968.

**FAMILY:** Named after the majestic views of the Simonsberg Mountain, Simonsig Wine Estate is situated in the famous Stellenbosch wine region just east of Cape Town. Founded in 1971 on true Cape hospitality and strong family values, Simonsig is now helmed by the 3rd generation of the Malan family. The late Frans Malan, a pioneer of the South African wine industry and superior wine craftsman, cemented the estate's legacy in South African wine history. He produced the first bottle of the much-loved, groundbreaking Kaapse Vonkel sparkling wine, South Africa's first Méthode Cap Classique made in the traditional method. He is also honored for co-founding the thriving Stellenbosch Wine Route, the first of its kind in the country. Today, his wine heritage lives on through his sons, Francois and Johan, and his grandchildren, Francois-Jacques, Christelle and Michael.
