

# TWO ANGELS SAUVIGNON BLANC 2021

High Valley, California

*Two Angels*

**TASTING NOTES:** This fruit-forward Sauvignon Blanc displays beautiful intensity and complexity of aromas as it is poured into the glass. There are hints of citrus, bright lemon zest, fresh tropical fruit and white floral notes. On the palate, there are added notes of lychee nut, hints of vanilla to compliment the crisp freshness and a wonderfully clean, lingering finish.

**VITICULTURE:** Two Angels Sauvignon Blanc once again features fruit only from the High Valley Appellation in Lake County. The vineyard is located approximately 2,000 feet in elevation. With its sloped (20-30 degrees), well-drained hillside soils, and slightly cooler daytime temperatures, wonderful fruit characteristics were able to be generated in this Sauvignon Blanc.

**FAMILY:** Two Angels are storied labels. The label art for Two Angels, from a Flemish print, points out the hilarity of inebriation and the trauma of the morning after. Excessive joy must be countered by equally excessive sorrow - an allegorical warning to drink sparingly or "suffer the consequences."

Higher elevations and Lake County's pure air allow for greater levels of UV light, as much as 10% more than neighboring sea level valleys. Situated above the northeast shores of Clear Lake in Lake County, this distinct growing area is defined by steep mountain ridges rising up to 3000 feet directly from this hanging valley's floor at 1700 feet.
