4.0 G/L

pH

3.30

DESCRIPTION

This wine is made from Arneis grapes grown on the Bosio Estate in the Langhe region. It starts with a clean, floral nose, with captivating hints of pineapple, apricot and peach that follow through to the palate and refreshing finish.

WINEMAKER NOTES

The Arneis grapes for this wine come from vineyards located in the Langhe sub-region, at 200-to-400 ft. above sea level. The average age of the vines is 20 years and they are grown on southeast- and southwest- facings in sandy soil. After harvesting, the grapes spend 24 hours at low temperature in contact with the skin to increase the complexities of the aroma. They are then pressed and the must is fermented in temperature-controlled steel tanks. The wine spends five months in contact with its own yeasts after fermentation. There is a final three months ageing in bottle before shipping.

SERVING HINTS

This wine is a perfect accompaniment to white meats like chicken and pork, as well as fish and savory vegetable dishes.
