L10 TORRONTES

DESCRIPTION

L10 Torrontes is an intense yellow-green color, with delicate aromas of white flowers and tropical fruits, such as pineapple, peaches and white grapes, balanced with green apple and citrus aromas. The nose carries through to the palate with fresh and vibrant acidity, an off-dry sensation and medium volume.

WINEMAKER NOTES

The grapes come from the Doña Elsa Estate, situated in Ram Caída, San Rafael, Mendoza at 2500 ft. above sea level. Rama Caída is among the coolest areas of San Rafael, with sandy calcareous soil of alluvial origins. Hand-picked and twice sorted by hand, the Torrontes grapes are crushed and fermented over ten days at controlled temperatures of 59° F (15 ° C) in stainless steel tanks. It received one month bottle ageing prior to release.

INTERESTING FACTS

This label is a collaboration between Valentin Bianchi and Argentine soccer superstar Leo Messi's Charity Foundation. A portion of the proceeds of the sale of L10 wines (Messi's team number) will go to the Foundation, which focuses on health care and educational development of socially-disadvantaged children.

SERVING HINTS

This wine is best enjoyed slightly chilled on its own as an aperitif, or as a great accompaniment to lobster, shrimp, clams and other seafood, as well as chicken dishes and especially those with a creamy sauce.
