

VINA EGUÍA

ROSADO 2014

Description:

Viña Eguía Rosado is vivid red-pink in color. A complex blend of fresh red fruit and citric aromas are displayed on the nose. On the palate the wine is fresh, and shows a good body and a long, strawberry kissed finish.

Winemaker's Notes:

After an eight hour skin contact the juice is removed (saignée or bleeding) from the solid parts. Temperature controlled fermentation takes place at 61°F (16 °C) in order to preserve all the aromas and freshness. Once the wine is fermented the wine is racked to remove lees and prior to bottling is fined and cold stabilized in order to avoid any undesired precipitation.

Serving Hints:

This Rosado is the ideal wine by the glass. A perfect match with light salads, pasta and meat dishes.
