CHARDONNAY

SANTA BARBARA COUNTY

DESCRIPTION

This wine blends Chardonnay grapes, hand-harvested from two of the winery estate vineyards, with a small amount of Viognier to provide balance and interest. The cooler Los Alamos and Goodchild vineyards provide tropical guava and citrus aromas which combine with caramel notes and a creamy texture to enhance the lingering finish.

WINEMAKER NOTES

The vineyards of Lucas & Lewellen are located in the three principal wine grape growing regions of Santa Barbara County; the Santa Maria Valley, the Los Alamos Valley and the Santa Ynez Valley. These valley vineyards benefit from a transverse mountain range topography, an east-west orientation which channels cool ocean air from the Pacific into the coastal valleys. Warm days and cool nights produce a long, gentle growing season. This lovely Chardonnay is blended from grapes grown in the Los Alamos Vineyard and the Valley View Vineyard.

Los Alamos Vineyard: Santa Barbara County AVA, 172 acres originally planted from cuttings brought over from Europe over 40 years ago; this vineyard is home to over 20 varieties of grapes. Thick layers of clay and loam soils coupled with a temperate climate provide ideal grape growing conditions for Rhone, Burgundian, Bordeaux and Italian varieties.

Goodchild & Old Adobe Vineyard: Santa Maria Valley AVA, 67 acres, Along both sides of the acclaimed Foxen Wine Trail, these cool climate vineyards consistently produce prize-winning Pinot Noir and Chardonnay grapes. The soils vary from clay and gravel river deposits to hillside and hilltop sites reminiscent of the great vineyards of Burgundy.
