pH
3.4

DESCRIPTION

The Pascual Toso Alta Syrah has a deep, bright red color, with violet hues. It is a complex wine, characterized by spicy aromas, with prominent vanilla and cocoa in the nose. Sweet tannins permeate the palate, with a strong presence of spice from first sip through the elegant finish.

WINEMAKER NOTES

100% ESTATE GROWN FRUIT

Harvest takes place only after having achieved the full maturation, when the grapes are at optimal ripeness. Fermentation takes place at low temperatures with selected yeast, and then aged in new American oak barrels for fourteen months. To maximize the grapes' expression, the wine is softly filtered before bottling. Once it is bottled, it remains in temperature controlled conditions for another six months prior to release.

SERVING HINTS

Best served at 59 to 61 F° temperature. This wine is a great accompaniment to red meats and game, especially smoked brisket or duck, as well as spicy pasta dishes and mature cheeses.
