14.5%

Total Acidity

5.4 g/l

Residual Sugar

1.9 g/l

pH:

3.65

DESCRIPTION

The Pascual Toso Alta Syrah is a prestigious wine made from grapes of 60 year old vines. It has a deep, red color, with violet reflections. It is characterized by spicy aromas, and plenty of vanilla and cocoa in the nose. There are sweet tannins with a strong presence of spices, on the palate. It is fresh, fruity, elegant and complex.

WINEMAKER NOTES

The soil is frank and stony. Hand-harvest takes place only after having achieved the full maturation, when the grapes are at optimal ripeness. Fermentation takes place at low temperatures with selected yeast, and then the wine is aged in new American oak barrels for fourteen months. To maximize the grapes' expression, the wine is softly filtered before bottling. The wine is aged in new American Oak for 14 months. Once it is bottled, it remains in temperature-controlled conditions for another six months prior to release.

SERVING HINTS

Suggested serving temperature between 59° F (15° C) and 62.6° F (17° C). This is a wine that is a great accompaniment to red meats, as well as spicy pasta dishes and mature cheeses.
