

LUANA PINOT GRIGIO 2018

Description:

Pale straw-yellow in color, Luana Pinot Grigio has a bright and slightly flowery and fruity fragrance. Good acidity gives this Pinot Grigio a mouth-watering appeal, with excellent mid-palate balance, and a clean, crisp finish that is typical of the varietal.

Winemaker's Notes:

The Pinot Grigio grapes come from D.O.C. Collio area in Friuli Venezia Giulia region, in northeastern Italy. Manual harvest took place at the end of August, 2018. After a gentle pressing and clarification of the must, the fermentation starts at controlled temperatures for about 15-20 days. All winemaking and fining takes place in stainless steel tanks. After approximately six months, the wine is ready to be bottled.

Interesting Fact:

The name Luana means “graceful battle maiden” in the Italian dialect of the region, and is the name of Mariano Pintar’s daughter. His family and he own the bucolic hillsides that run along the banks of the beautiful emerald-colored Isonza River. Near the Italian-Slovenian border, this land was the scene of many battles during World War I, fought just over 100 years ago. Once-scarred and barren, the terrain is now alive with thriving vineyards planted with love and care, as well as reverence for the sacred ground beneath, by Mariano and his son. Native Italian white grapes from these vines produce Luana, who stands watch over this land and river, a graceful yet powerful symbol of the resilience of nature and the renewal of life.

Serving Hints:

Serve slightly chilled on its own or with antipasto, prosciutto, pasta, fish and white meats. Perfect summer wine.

PRODUCER:

Luana – Az. Agr. Ascevi Luwa

COUNTRY:

Italy

REGION:

Friuli Venezia Giulia; D.O.C. Collio, Gorizia Province

GRAPE VARIETY:

100% Pinot Grigio

ALCOHOL %:

12.5%

RESIDUAL SUGAR:

3.60 g/l
