13%

Total Acidity

4.97 G/L

Residual Sugar

1.6 G/L

pH

3.64

DESCRIPTION

This wine has a brilliant garnet color, with delicate aromas of red and black berries and subtle floral notes. Medium-bodied, ample, and round, with supple tannins.

WINEMAKER'S NOTES

The grapes come from vines that are 20 years or older. They are trellised in the traditional Gobelet style. The grapes are harvested manually, in whole bunches, and are destemmed prior to crushing. Semi-carbonic maceration takes place, and fermentation is conducted at low temperatures in stainless steel tanks.

SERVING HINTS

Pairs best with lamb, beef tartare, and matured cheeses.
