

# HERDADE SÃO MIGUEL

## COLHEITA SELECIONADA BRANCO 2016

### Description:

This wine is a pretty citrus yellow color with hints of fresh, tropical fruits and white flowers. These aromas are well integrated with butter and coconut notes. It is fresh and lively with fine acidity and the distinctive mineral excellent minerality with a very pleasant finish. It is well-balanced, round and refreshing in taste.

### Winemaker's Notes:

The 2016 harvest was characterized by drought in the Alentejo. The winter was dry and cold and when spring arrived, it brought much rain and the mild temperatures led to strong growth. Summer was then very hot and dry. This caused a slight delay in the maturation process which resulted in full bodied wines with flavors and great aromatic intensity along with much elegance.

### Serving Hints:

This wine pairs nicely with poultry, well-seasoned fish, sushi, seafood dishes and a variety of salads and cheeses.
