DESCRIPTION

This Moscato comes from a grape variety that has probably the highest level of complex aromas of any Piedmont grape. The wine has the distinctive Moscato aroma and flavor, with added complexity from the concentrated strawberry juice. In every bottle of Tropical Strawberry Moscato, there are approximately 10 strawberries inside.

WINEMAKER NOTES

The Moscato grapes for this wine come from vineyards located in Santo Stefano Belbo villages, at 200 to 300 ft. above sea level. Vinification is via autoclave, according to the Charmat Method, until it reaches 5.0% alcohol. Then, wine undergoes cold fermentation and ageing in stainless steel vats for one month, after which time it is blended with the strawberry juice and bottled.

SERVING HINTS

This wine is delightful as an aperitif or at the end of the meal, with fruit, aged cheeses and deserts.
