### PROSECCO di Nonna Angela

In 1967 Egidio Bosio, together with his wife Angela, began cultivating a small plot of land in Santo Stefano Belbo—a territory rich in history, culture, and stunning natural landscapes—and sowed the seed of what would later become the Bosio Family Estates winery.

As is common in the Piedmont, the company was passed from father to son. Born in 1958, Valter Bosio carried on the family's tradition of agriculture starting at the age of 20. Since then, Valter has continued to build the family business and now works alongside third-generation winemaker Luca Bosio who is following in his father's footsteps.

Luca produces wines with a deep connection to tradition and in loving memory of his grandparents. In turn, Luca Bosio Prosecco is named in honor of his grandmother, Nonna Angela. A favorite sparkling wine of Nonna Angela, the Prosecco emulates her bright, fresh, and jovial spirit. Through this wine Luca conveys love for his family, his heritage, and gratitude for his grandmother.

Nonna Angela is unconditional love, Nonna Angela is home.

Luca Bosio Vineyards, now in its 3rd generation, was established in 1967 by farmers Egidio and Angela. Their son, Valter Bosio married Rosella and along with their son Luca, a graduate winemaker, work tirelessly to keep up the family tradition. Luca has brought a wave of freshness and novelty both in technical and commercial areas. After the success of his innovative and progressive ideas, and under the constant support of the family, the company has taken the name of Luca Bosio Vineyards. The winery is located in the center of the Langhe region of Piedmont and has 60 acres of vineyards.

Luca Bosio has brought a wave of freshness and novelty both in technical and commercial areas. After the success of his innovative and progressive ideas, and under the constant support of the family, the company took the name Luca Bosio Vineyards. The winery is located in the center of the Langhe region of Piedmont with 60+ acres of vineyards.

The Luca Bosio Semi-Sweet Wines are harvested by hand, the grapes are crushed and undergo prolonged skin contact to extract as much of the natural red grape color as possible without losing its flavor. Fermentation takes place in stainless steel under pressure with wine then stored in stainless steel for 10 days of stabilization and clarification. Then if infusions are to be added, that is the time it is done. All infusions are natural and produced at the winery, with blueberry, raspberry and strawberry flavors used.
