QUINTA DO VALLADO

Douro,
PORTUGAL

Quinta do Vallado, in its sixth generation, has been family-owned since 1716, originally owned by the legendary Doña Antonia Adelaide Ferreira. It is one of the oldest and most famous quintas in the Douro region, for a long time its vineyards went into the best Ports produced by the large shipper Ferreira.

Today the winery is owned by João Ferreria Alvares Ribeiro, Francisco Ferreira and Francisco Olazabal. It is one of the oldest and most famous "Quintas" in the Douro region. Two thirds of the vineyards are planted in terraces with a single row of vines and pruned according to the double cordon system. The old vines, which make up almost 40% of the vineyards are at least 80. A new state-of-the-art winery was built in 1997 and a newly built, ultra-modern hotel was completed in 2012 making Quinta do Vallado a travel destination in the Douro Valley.

QUINTA DO VALLADO

Douro,
PORTUGAL

Vintage Ports are made in the best of the vintages, the hallmark of each Port house. Vintage Port is aged for a few years in tank or cask then bottled to finish aging in the bottle. If properly stored, these wines will age for decades throwing sediment after a few years and should be decanted.

Tawny Port wines are intended to be sweet, so fermentation is arrested halfway through the process, before all the residual sugar has been fermented through the addition of grape spirits, thus fortifying the wine and aged in 600 liter oak casks for years during which time, the complex aromas and flavors become thoroughly integrated and the distinct hue develops.

100 years of Port is a special collection with all four aged Tawny Ports, which adds up to 100 years, a century of Port. Truly a unique gift, these smooth, richly flavored Tawny Ports come in a handsome wooden box. ** special order only **
