Obsession Symphony Fruit-Infused Wines

Vibrant packaging with screwcap closures, this expansion of the Obsession range is modern and the perfect wine for summer.

Obsession Fruit-Infused Wines start with Symphony grapes harvested from our family-owned vineyards and blended with natural fruit sources from the highest quality local farms. Finally, crisp, refreshing sparkling water is added to achieve the “spritzz”. This unique process brings out the best flavors of each component, creating a balanced, fruity, lightly sparkling wine.
