VIÑA EGUÍA

“The 2008 Vina Eguia Crianza is aged in American oak for 12 months. The nose demands coaxing from the glass, but it eventually offers a crisp, natural bouquet of dark berries, burnt toast and singed leather. The palate is very well-balanced, with lithe tannins that caress the mouth. The oak is seamlessly integrated towards the lingering, supple finish. This is a very well-crafted, natural Rioja. Drink now-2018.”

“I was immensely impressed by the two wines that I tasted from Bodegas Eguia, located in the Alavesa sub-region in the village of Elciego. The company was founded in 1982 by Julian Murua, who resurrected his father’s winery, which had been established in the 1920s. They both represent outstanding value.”

CRIANZA 2008

Eguía, en su origen “egia” significa la verdad. Verdad es la palabra que define la esencia de nuestro trabajo, hecho con honestidad, respeto y rigor. La verdad de un gran vino.

Translation:

The origin of the Latin word “egia” means truth. Truth is the word that defines the essence of our labor, made with honesty respect, and rigor.

The truth of a great wine.
