CABERNET 2008

“Complex notes of rich, dark berries with hints of cedar. This elegant wine shimmers with a stunning deep inky-purple color that announces the intensity of the grapes. The palate is equal to the lush color and bold aromas. Flavors mimic the nose with added nuances of roasted coffee bean and vanilla leading to a long, lingering, polished finish. This wine has tremendous presence and yet is in wonderful harmony with soft, accessible tannins and structure.”
