

# Leaping Horse Chardonnay

## “Highlights”

### 2014

- ‘Best Buy’ – WINE ENTHUSIAST, *May 2016*

“A spicy, nicely oaky aroma catches the attention right away. Next, equally oak-influenced flavors like vanilla and cinnamon complement solid pear and crisp apple notes. This has good complexity and makes a fine example of a well-oaked Chardonnay. Best Buy”

### 2013

- ‘Best Buy’ – WINE ENTHUSIAST, *Nov. 1, 2014*

“This does a good job of balancing lively pear and apple flavors with dashes of toast and butter. It’s medium to full-bodied, dry and has enough crispness to help the flavors linger.”

### 2011

- ‘Best Buy’ – WINE ENTHUSIAST, *Sept.. 1, 2014*

“For people who like wines that speak a little softly, try this very moderately priced Chardonnay. Subtle aromas and flavors of green apple, honey and almond build slowly as you enjoy the light to medium body, smooth texture and a finish that hints of sweetness.”
