Shiraz

96 Pts.

"From 126yo vines and a traditional approach to vinification. Fine bonded. Powerful, sure, but there is a stridency to the fruit rather than a stolidness. Maritime Shiraz, at its best, has a cooler side to violet, bergamot, boysenberry, anise and clove scents. The pepper-clad acidity, vibrant and pulling the melee long. The oak, ample, but not exaggerated. Intense, compact, fragrant and ready for the long haul."
