SHIRVINGTON THE REDWIND CABERNET

“Highlights”

2011

93+ WINE ADVOCATE #211, Feb. 2014

“Deep garnet with a hint of purple to the color, the 2011 The Redwind Cabernet Sauvignon reveals enticing aromas of black plum preserves, blueberry compote and dried mulberries with hints of cloves, aged meat, dried mint and fruit cake. Medium to full-bodied with plenty of blackberry and complex meaty, savory flavors, it has a good line on uplifting acidity, medium levels of grainy tannins and a long finish.”
