

TerraPura Sauvignon Blanc Reserva 2020

90 Pts.

“Finally! Something good to say about 2020! My “first of the vintage” wine makes me think that things might be taking a turn for the better. It’s all about tart lemon on the nose and in the mouth, and the finish brings a tasty grassy note forward. It finishes very long, with bright mouth-watering character that will have you to the bottom in no time. Oysters please!” Rich Cook – Oct. 6, 2020
