Côte du Py Morgon

## 'Press Highlights'

2020

- 90 Pts. – James Suckling, *December 8, 2021*

"A firm and rather tannic Cote du Py with firm, chewy tannins that are polished and nicely frame the dark-berry and stone flavors. It's medium-bodied. Slightly austere at the end. Drink or hold."

2019

- 92 Pts. – James Suckling, *Feb. 22, 2018*

"Aromas of ripe strawberries, watermelon, dried flowers and orange zest. It's medium-bodied with silky tannins. Fresh and finely crafted. Drink now."

2018

- 94 Pts. – James Suckling, *Nov. 13, 2019*

"This is a more traditional red with stem, wet-earth and dark-berry character. Medium to full body and round, juicy tannins. Soft finish."

- 91 Pts. – *Vinous*, *Oct. 2019*

"Deep magenta. A highly perfumed bouquet evokes primary red/blue fruits, exotic spices and candied flowers, and a zesty mineral nuance builds in the glass. Sweet and penetrating in the mouth, offering spice-inflected black raspberry and boysenberry flavors that tighten up steadily on the back half. The floral note recurs on an impressively long finish given shape by subtle, even tannins."

- 91 Pts. – *Wine Enthusiast*, *April 2020*

"From the top vineyard site in Morgon, this wine has structure and plenty of fine tannins. Ripe black fruits are still developing through the structure of this rich wine."

2017

- 91 Pts. – James Suckling, *Dec. 21, 2018*

"The aromas of peaches and flowers here are impressive. Medium-bodied and slightly lean with a medium yet lovely and intense finish. Drink now."

- 91 Pts. – *Wine Advocate*, *Sept. 22, 2018*

"Richer and larger-scaled, the 2017 Morgon Domaine de Javernière Côte du Py displays aromas of cherries, plums and dried flowers. On the palate, it's medium to full-bodied, open-knit and flavorful, with a generous endowment of ripe, juicy fruit. In its hearty, lusty style it's one of Duboeuf's best."
