

TRUFFLE HUNTER

BARBERA D'ASTI

The Washington Post

★ ★ ★ Exceptional ★ ★ Excellent ★ Very Good

“Who can resist a wine named in honor of the winemaker’s favorite truffle-hunting dog, especially when it’s this good? Barbera is one of the most food-friendly red wines, and I’d pair this gem with anything off the grill, from salmon to burgers and steak.”

-Dave McIntyre, March 28, 2015
