Amazone de Palmer

“Press Highlights”

-
- 95 Pts. – WINE ADVOCATE, *January 31, 2022*

“A new prestige cuvée from Palmer, the debut release of the NV Brut Amazone is a blend of the 2012, 2010 and 2009 vintages, complemented by some 19% reserve wines drawn from a perpetual reserve, and it's equal parts Chardonnay and Pinot Noir, all from the Montagne de Reims. Offering up aromas of crisp yellow orchard fruit, freshly baked bread, crisp nectarine, oyster shell and subtle hints of the biscuity complexity to come, it's medium to full-bodied, pillowy and seamless, its fleshy core of fruit girdled by ripe but racy acids and complemented by a pearly mousse. Disgorged last year with six grams per liter dosage, it's an impressively complete, well-structured wine that will be even better with a few years on cork.”
