

92 Pts.

“Made with grapes from the coastal Andes, DO San Antonio, this Matetic Syrah was harvested in May and aged at length in oak barrels (20 months, narrow grain, 30% new). A reddish purple in the glass, it presents a flawless nose of well-judged overripe aromas: raisins, a hint of blackberry, a little thyme, beef and pungent sandalwood. It is full-bodied on the palate with a strong structure and moderate freshness that fails to offer a contrast or juice but sustains the flavors of the wine for a satisfying period of time.” ~ March 2020
